

THE WORLD OF FINANCIAL FREEDOM

# About US

## About US

Profit Point Ltd is a growing online forex investment company based in Uganda and East Africa. Our company is licensed and incorporated under number 80020002101325. Profit Point Limited offers wealth management services to private clients, institutional investors and clients involved in online investments via online Forex Trading, stock markets / pennies Stocks and Crypto Currency Trading. We founded the company to make the modern financial market accessible to everyone. Our company offers customers the opportunity to win, without personal involvement in turnover. A profitable and long-term business requires good knowledge and skills from people who are professionals in the field of activity in which they have participated. That is why we try to hire only experienced experts for the job.

At Profit Point Ltd, we believe it is important to keep our investors regularly informed, given the belief that we have in our investment philosophy and our underlying positions. We believe that each client has unique needs and will only entrust us with the management of their assets if we guarantee returns in line with their objectives and aspirations. Profit Point Ltd is confident in the future and continues to open new horizons in online investments. With our actions and our successes, we are actually proving our solidity and our commercial competence. Our team is there to provide you with the best possible service. Attracting online investment is the best way to accelerate the growth of our business. As an officially registered company, we plan to continue our activity in the coming years, strengthening our presence on the main platforms of the world. We expect a lot from our company and are confident in our capabilities. We know how to make money and can afford to offer our investors the same opportunity. Use the possibilities of the business and earn daily or get tangible benefits after the end of the investment period.

Profit Point Limited is a foremost non-Bank finance Company offering first class online investment plans, financial advisory, corporate finance and wealth management services to private clients, institutional investors and online investors offering 2% interest per day on your investment and Daily withdrawals.

# Mission

To ensure maximum profit to each of our investors and to eradicate completely any form of investment risk by using the professional Traders and ensuring passive income to the investors. Profit point Ltd offers a wide range of trading services and online investment opportunities

# ONLINE INVESTMENT PRODUCTS.

- 1 **ONLINE FOREX TRADING.** The Forex Currency Market is an international (inter-bank) financial market for exchanging currencies. Being global (international) this market operates round the clock (Monday to Friday). The Forex market is a leader among financial markets in terms of total daily trade volume. The daily turnover is more than USD 4 trillion, and by 2020 it is projected to rise up to USD 10 trillion. We give you an opportunity to earn on this opportunity without direct engaging in the market due to the skill and knowledge our traders have in Forex trading. You need the best to earn.
  - 2 **CRYPTO CURRENCY TRADING.** Profit Point Limited specializes in delivering data-driven cryptocurrency investment research to crypto investors using professional analysts, analytics, and artificial intelligence. This helps our investors to earn from this opportunity of the century.
  - 3 **STOCK MARKET/ PENNY STOCK TRADING.** We trade the money invested by buying and selling shares of companies on stock exchange. This gives our clients an opportunity to enjoy profits.

## **DAILY INTEREST.**

Our investors enjoy a constant investment growth every day. Once you have become an active participant, a daily interest rate of 2% - 3% (depending on your investment package) will be applied to your earnings.

## **INSTANT/AUTOMATIC WITHDRAWAL.**

Interest is applied to your account on a daily basis. Once it has been added to your account balance, you can either reinvest to increase your daily profit, or proceed to enjoy our automatic withdrawals system. Daily withdrawals of your profit.

Please contact support, you will definitely get answer to your question.

# Thank you!

## **Thank you!**

I know reading this entire guide in its entirety wasn't easy.

But the good thing is you took action and finished it.

The number one thing that stops people from not creating a passive Income and lifestyle is that they don't take action. They don't start and finish things.

You have just separated yourself from 95% of people in the world by seeking this information. Now the question is will you separate yourself from the 95% of people that read this guide and execute on everything in here and create Passive income you desire or another Source of income? By definition, not everybody can be great. Great things will always remain for the great. To achieve greatness, you have to go out and take it. It won't just fall in your lap. Be sure to follow Profit Point Ltd on social media, where we are active daily with our traders.
